ABOUT US

Kadooglu Yag – High Standards in Food Safety, Sustainability in Production

Kadooglu Yag Sanayi ve Ticaret A.S., one of Turkey's leading producers of edible oils, operates with a daily production capacity of 1,200 tons at its modern facilities in Gaziantep. With brands Kadoo, Bizce, Brinto, Mayra, Azime, Elianto, and Mutfakların Şefi, our company has become a symbol of quality and trust both in domestic and international markets.

Thanks to our fully automated production lines and internationally certified filling and packaging systems, we offer a hygienic, efficient, and traceable production infrastructure. Our commitment to food safety is documented through national and international certifications and forms the foundation of our quality- and sustainability-focused production approach. The advanced quality control laboratories with Kadooglu Yag carry out meticulous inspections at every stage of production to ensure compliance with high standards. Our consumer satisfaction-oriented production philosophy is continuously supported by investments in R&D and innovation.

With the vision of becoming a global leader in innovative, healthy, and sustainable oil products and setting trends in the industry, Kadooğlu Yağ continues to lead the sector with a production approach that respects nature, prioritizes human health, and adheres to social values.

In line with our environmentally friendly production policies, we are committed to initiatives such as waste management, energy efficiency practices, and projects aimed at reducing our carbon footprint.
